

## Join Atmosphere for the Dive Expedition of a Lifetime

Sharks? Check. Exhilarating drift dives? Check. Manta rays? Check. WW2 wrecks and steep walls? Check.  
A lake full of non-stinging jellyfish? Check!

Our previous Palau-charters in 2013, 2017 and 2019 were huge successes, and in May 2027, Atmosphere will finally be taking guests to Palau again on a special Palau All-Star trip, **bookable for guests who have joined one of our previous live-aboards** to Palau, the Philippines or Indonesia. The expedition will once again be onboard the Palau Siren, a vessel in the Master Liveaboard fleet.

## WE RETURN TO PALAU!

We will embark on May 5, 2027 for a **seven night cruise** amongst Palau's rock islands onboard one of the world's most luxurious dive-yachts of Master Liveaboards. Dive sites will include the famous German Channel, Blue Hole, Ulong channel and Peleliu Island. We will do drift dives with manta rays and reef sharks, follow walls with huge sea fans, hook onto Blue Corner and explore a couple of WWII wrecks.

**\$3,900** USD

Join our team for the pre-trip preparation by spending five nights in Atmosphere before the expedition, or desaturate and unwind with us in the resort after a fantastic trip. Any guest joining us at Atmosphere before or after the live-aboard adventure will be extended a **five night stay for the price of four** as a promotional offer.

**Atmosphere's Management** will lead this expedition to make sure that all 14 diving guests receive the Atmosphere star treatment throughout the duration of the cruise.

## Payment Terms & Conditions

Atmosphere will require a minimum deposit of 5% at the time of booking. Another 15% will be due 12 months before departure. 30% will be due no later than six months before the departure date. The remaining 50% will be due on February 5 2027, three months before embarkation. If a guest wishes to cancel the trip, the deposit(s) paid will be forfeited, which is why travel insurance is highly recommended. The 3900 USD rate is a special rate extended to previous Atmosphere live-aboard guests.

## About the S/Y Palau Siren

M/S Palau Siren is a custom built, 40 meter/130 feet Indonesian yacht, handcrafted from ironwood and teak in 2012. She belongs to the Master Liveaboard Fleet of luxury liveaboards, hosting 16 divers with an experienced crew of 12.

### On your trip, you can expect::

- Spacious, double or twin bed, air-conditioned cabins, each with their own en-suite bathroom.
- A fully stocked cocktail, beer and wine bar.
- Small and big breakfast daily, buffet lunches and dinners and snacks between dives.
- Camera set-up areas and charging stations, sun-deck and indoor lounging spaces.
- Free kayaks for guests' use.
- Massage and Laundry services.

## About the diving

Palau offers very varied diving, with some exhilarating drift dives, steep walls and adrenaline-fueled reef hook dives. We expect to see a lot of sharks, mantas and other pelagics. Peleliu Express, Blue Corner, German Channel, Chandelier Cave, Blue Holes, Ulong Channel, a few WWII wrecks and Jake Seaplane are on the wishlist for the week. If conditions allow, blackwater may be possible for guests who are keen.

Due to the nature of the diving, 30 logged dives and an AOW certification is required for all diving guests.
