

JOIN ATMOSPHERE IN TUBBATAHA

for The Dive Expedition of a Lifetime

The isolated reefs of Tubbataha in the Sulu Sea attract sharks, whale sharks and rays. The shallow reef tops are teeming with colourful reef fish and turtles. In May 2026, Atmosphere Resorts will be taking you to UNESCO World Heritage Site Tubbataha for some of the world's best diving onboard the S/Y Philippine Siren.

We will set sail on May 20 2026 in Puerto Princesa for a six day cruise in Tubbataha National Park, onboard one of the world's most luxurious dive-yachts of the Siren Fleet. Expect big fish, many species of shark, massive gorgonian fans, colorful reef fish, turtles, exhilarating drifts and wrecks. With a bit of luck, we'll see whale sharks and manta rays before we head back to Puerto Princesa on mainland Palawan.

Atmosphere's Management will lead a private expedition to make sure that all 14 diving guests receive the Atmosphere star treatment throughout the duration of the cruise.

As this is "close to home", why not join our team for the pre-trip preparation by spending some time in Atmosphere before the expedition and travel with us in luxury to Tubbataha, or desaturate and unwind with us in the resort after a fantastic trip and let Atmosphere handle your travel plans for you. Any guest joining us at Atmosphere before or after the live aboard adventure will be extended a five night stay for the price of four as a promotional offer.

ABOUT THE S/Y PHILIPPINE SIREN

S/Y Philippine Siren is a custom built, 40 meter/130 feet Indonesian gaff rigged 7-sail yacht, handcrafted from ironwood and teak. She belongs to the Worldwide Dive & Sail Fleet of luxury liveaboards, hosting 16 divers with an experienced crew of 12. On your trip, you can expect:

- Spacious, double or twin bed, air-conditioned, en-suite cabins each with their own personal computer, personal entertainment systems and ensuite bathrooms. All rooms are lavished with luxury extras, including bathrobes, hair dryers, towels and individually controlled mood lighting.
- All meals included, freshly prepared by top class chefs.
- A wide selection of soft drinks, teas and coffee - from the espresso machine - all free of charge.
- A fully stocked cocktail and wine bar.
- Nitrox and dive equipment rental available for a fee, camera set up areas and charging stations.
- Massage and Laundry services at an extra fee

Payment Terms & Conditions

Atmosphere Resorts will require a minimum deposit of 5% at the time of booking. Another 15% will be due a year ahead of the cruise, 30% will be due no later than six months before the departure date of the diving expedition. The remaining 50% will be due three months before we set sail in Tubbataha. If a guest wishes to cancel the trip, the deposit(s) paid will be forfeited.
